Description:

Electric Power Systems, Inc. is a unique company offering a wide range of experience and education in the area of power system operations, design, consultation and studies; oil movement controls, and general engineered systems. We provide extensive services from planning studies, design and construction, to periodic testing and maintenance. We are currently seeking a skilled AutoCAD Drafter to join our Anchorage, AK team.

Responsibilities:

This person will be an AutoCAD drafter responsible for providing drafting support to the electrical and mechanical engineering departments. Some structural drafting will also be required. Applicant must be self-motivated, and be able to work both independently and on design teams.

Benefits:

Electric Power Systems, Inc. offers a great benefit package including Medical Insurance, Life Insurance, Long Term Disability, 401 (k) Plan, Health Club Membership, Employee Assistance Program, Paid Vacation and Paid Holidays.

Electric Power Systems, Inc. is an Equal Opportunity Affirmative Action employer that values diversity at all levels. We consider candidates for all positions on the basis of qualifications and without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, marital status, protected veteran status, disability and any other legally protected status. Minorities, women, veterans and individuals with disabilities are encouraged to apply. We are an EEO/AA employer.
